

We provide full medico-legal support, enabling our Psychiatrists to focus solely on generating income from their expertise.

Why Join Psychiatry Experts?

- You will receive as many referrals for medico-legal reports as you require, based on your psychiatric expertise.
- Our psychiatrists are paid industry-leading remuneration rates.
- We pay our psychiatrists promptly, allowing them to generate additional income quickly.
- You will become a valued member of our esteemed Experts in Psychiatry team.
- We will provide a dedicated case manager to assist you throughout the case lifecycle.

Who are Psychiatry Experts?

- Psychiatry Experts has been providing expert witnesses to the legal profession for over 20 years.
- We receive thousands of enquiries every month for psychiatric expert witnesses.
- We work with the largest law firms, ensuring a steady flow of referrals across all medical specialties.
- We offer essential support to our Consultant Psychiatrists, enabling them to deliver first-class expert witness services.
- Our panel includes an extensive number of psychiatrists who have been working with us for several years.

Our Expert Case Management Team Includes:

- Senior Consultant Psychiatrists who provide mentoring and support to our panel.
- Dedicated case management for psychiatrists, saving them time.
- Proofreading of reports prior to submission.
- Invoicing and accounting services.

Our Track Record

- Our focus is on building lifelong relationships with our clients and experts.
- We are highly trusted by legal professionals across the UK.
- We provide effortless case management for seamless collaboration, saving time for experts.
- Our growth stems from delivering high-quality service at all times.
